- Experience at the HNBF:

I am currently the spring 2008 intern. In the few weeks that I have been interning my experience has been amazing! I have engaged in several projects which include the Annual Awards Dinner, Future Latino Leaders Law Camp, New Jersey Fundraiser, writing grant proposals and acquired several networking skills. I had never imagined that interning would be such a great experience for me! That is why I encourage all those who are interested in an internship to do so! This is a wonderful experience you will never forget! If you are in California, check out the UCDC program, otherwise check the links the HNBF offers.
